

N.B. You can help us by talking to your child  
and asking questions about their work,  
you can also  
encourage them to do their best.

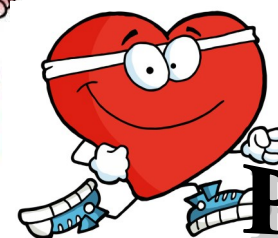

# Ourselfes

September – October 2019

**Primary 5**  
**Mrs Johnston**

## Useful Websites–

## Resources

Pupils enjoy bringing objects such as books, photographs etc.

If you have any items at home that would be suitable for the topic, we would love it if you were able to send these in.

They will be returned home with the children at the end of the topic.

*\* If you or someone you know works in a Health Profession related to this Topic and would like to visit us for an interview please let us know!\**
